Answer: ALIENS and the DARK SIDE AGENDA'S. A History of the Military and the Shadow Government's War against HUMANITY and the Truth about end of the ages events has

been escalating over the last 50 Years. During those years mankind has been lied to by our government.. Using Disinformation, Saboteurs, Intimidation, and Cover-Ups people have been FALLING IN LINE WITH WHAT PROPHECY REFERS TO AS THE "END TIME DELUSIONS OF MANKIND,"

The deep state exists without a doubt, and it has perpetrated a consistent mission to hide, obscure, and delete information as it pertains to UFOs and alien interaction with mankind and our secret SHADOW government. Should unelected officials be making the decisions on disclosure NO! Has a secret space program been developing technologies not of this world for decades? YES! What have the US Air Force and other agencies been hiding?

Military culture is filled with symbols and insignias, which are a rich visual language that signifies everything from various unit and command affiliations to significant events and noteworthy programs. There are memorial coins, flags, and T-shirts to commemorate significant events, patches to designate one’s affiliation with different military units, and totemic mascots for different weapons systems and job descriptions.

This symbolic regime extends to the world of classified military operations, activities, locations, and endeavors—a world that defense industry and military insiders refer to as the “**BLACK WORLD**.” The black world is composed of military activities that are officially unacknowledged—programs, people, and places that (for official purposes) “do not exist.” Thus, the black world’s symbolic regime instantiates a peculiar set of variations on the visual language of less obscure military activities.

The symbols and insignia shown here provide a glimpse into how classified military units answer questions that have historically been the purview of mystery cults, secret

societies, religions, and mystics: How does one represent that which, by definition, may not be represented?

MANKIND HAS NOT BEEN IN CHARGE OF EARTH'S BUISINESS FROM THE VERY BEGINNNING. ALIENS HAVE USED THEIR ALIEN HUMAN HYBRID LEADERS TO CALL THE SHOTS ALL THROUGH OUT HISTORY.

IF YOU DON'T GET THIS YOU CAN'T ASSEMBLE THE PUZZLE CORRECTLY, FIGURE OUT WHOSE IN CHARGE OR KNOW WHAT IS GOING ON BEHIND CLOSED DOORS.
